## *California Fox Trotter Association*

### *SEPTEMBER - OCTOBER 2015*

## President's Message

Hi Everyone,

2015 has been a bittersweet year. The club started out great with the clinic in April and has welcomed some very wonderful members. The shows have been successful and everyone seems to have enjoyed themselves.

Unfortunately, we lost one of our longtime supporters, competitor and a beautiful woman, Mickey Fourier. Her family will continue the legacy she left behind and we were able to secure our 2016 clinic that Mickey had requested initially. Mickey encouraged me to become President of the California Fox Trotter Association to widen and develop a specific skill set. It led me to become the head of the department at work and has helped me develop in unexpected ways.

Mickey loved Dancing with the Stars and it gave me great pleasure to take her to a live taping. She was so enthusiastic and would converse with anyone nearby. She was a joy to be around.

Her magnetism was in her gratitude. She was grateful and relished in every moment she lived.

We hope you have a safe and wonderful holiday season filled with joy and gratitude. Please look out for the invitation to our annual banquet on January 16, 2016. We will also post our 2016 show dates by the beginning of the year.

Mitsy Marquez, CFTA President

## **Subject: New Mobile Alert Service from the MFTHBA**

Today we launched a new mobile alert service for the MFTHBA. This service will allow interested parties to receive information via text message. We plan to share deadline reminders (i.e. stallion breeding reports, membership renewals, election nominations, hall of fame nominations, etc.), special (membership specials, registry discounts, etc.) and special news announcements. We also have two sub-groups for our two major shows where we will share entry deadlines (pre-enter, futurity payments, etc.), event information, reminders about special events when people are at the show and notification of changes to the show schedules (rain delays, changes in the trail ride schedule due to weather, etc.).

We are hopeful that this system along with our other information sharing systems (email blasts, website, social media, The Journal) will help us reach all those interested in getting information. I know lots of people that text that don't check their email very often. ☺ Please help us promote this new service. Our plan is to use it for the next month or so and then ask for feedback as to whether people like getting information this way. If they do, we will continue on with the service.

Instructions for opting in to receive the mobile alerts are below.

**General MFTHBA Information:** Receive messages on registry deadline reminders, promotions and special announcements. Up to 1 message per week. To join, text MFTHBA to 41411.

**World Show and Celebration:** Receive messages about show deadlines and special announcements. During the event, we will also share changes to show schedule (i.e. rain delay information, etc.). Throughout most of the year, subscribers can expect up to 2 messages each month. Messages will increase as the event gets closer. Subscribers should expect up to 3 messages per day during the event itself. Joining this group will automatically add you to the general MFTHBA information group. For mobile alerts on the World Show and Celebration, text MFTCELEBRATION to 41411.

**Spring Show and Three Year Old Futurity:** Receive messages about show deadlines and special announcements. During the event, we will also share changes to show schedule (i.e. rain delay information, etc.) and reminders about scheduled events. Throughout most of the year, subscribers can expect up to 2 messages per month. Messages will increase as the event gets closer. Subscribers should expect up to 3 messages per day during the event itself. Joining this group will automatically add you to the general MFTHBA information group. For mobile alerts on the Spring Show and Three Year Old Futurity, text MFTFUTURITY to 41411.
